

The Springfield Historical Society
Proudly Presents
The Social Black Bear

On Thursday evening, July 9, 2015, the Springfield Historical Society will once again present a program by Mr. Ben Kilham. Known throughout New England as "Papa Bear", Ben is back by popular demand for his third return engagement for our historical society. Each program is new and different as Ben speaks freely, without notes, and brings to light new information and breathtaking photos of his work with black bears in our region. Nationally recognized for his work in bear rescue and rehabilitation, Ben has been featured both in major television programs and in National Geographic Magazine. Our meeting will begin at 7:00 pm and will be held at the Town Meetinghouse, 23 Four Corners Rd, Springfield, NH. Refreshments will be served as people gather. There will be a very brief business meeting and the program is scheduled to begin at 7:15. As always, this program is free and open to the public and the meetinghouse is handicapped accessible. A large audience is expected to attend and will fill the meetinghouse, so plan to arrive early for both parking and seating. For further information or directions, contact Donna Denniston at 496-5462.
