

The Springfield Historical Society  
*proudly presents*  
"Moose Man" , Rick Libbey

On Thursday evening, October 9th at 7:15 pm, the Springfield Historical Society is very excited to present **Rick Libbey**. Widely known as Moose Man, Rick hails from Andover, NH and is a renowned wildlife photographer who shoots from a kayak with Nikons and a monopod. For Rick "it's more than the wildlife photos. It's the stories, the adventures, and most importantly, respecting the wildlife and their environment. 'My kayak is critical. It leaves no trace, makes no sound and is super non-intrusive. Paddling a kayak through the wilderness is to me...the most peaceful feeling I have found in life'." Our program will be held in the Town Meetinghouse, 23 Four Corners Rd, Springfield, NH. and the building is handicapped accessible. Admission is free and open to the public. Refreshments will be served at 7 pm. Please join us for this outstanding program. For further information or directions, call Donna Denniston at 496-5462.
